## Application for membership

I apply to become a member of Der Internationale Verein Dogfriend (IVDF). I agree that I have read and do hereby support the IVDF mission statement and will do my best to help the IVDF to achieve its goals.

I have been facilitating the promotion of humane treatment of animals:

.....

I do not use any cruel, coercive or aversive treatment methods, techniques and tools such as:

- training tools for behavior correction (electronic, prong or spray collars, choke chains, training discs, clanging cans of stones, etc.);

- physical correction (hitting, pinching, holding down, "alpha rollover", leash jerks, etc.);

- mental deterrents (physical or social isolation, keeping in the impoverished environment, talking to a dog in a threatening way, intimidation);

- behavior manipulation by means of food deprivation or psychoactive drugs.

I do not intend to use the IVDF membership or the IVDF logo when advertising without written approval from the IVDF Board.

I do not intend to claim to be an expert in The New Cynology without written approval from the IVDF Board.
